LYRICS

Original key G $\flat$ **Time** 6/8 **Written by** Manuel Sogein

VERSE 1

My life is a living testimony
Of Your grace and love
When I see how far You've brought me through
I'm standing because of You
Your goodness surrounds me every day
Your mercy has held me close
I'll sing of Your wonders all my days
And sing of Your faithfulness

CHORUS x4

Oghene doh (*thank You God*), doh doh doh (*thank You*)

VERSE 2

My life is a living testimony
Of Your grace and love
I have walked through valleys and the shadows
Because You light my way
Every tear You've turned to laughter
My sorrows You turned to joy
You took my ashes, made them beauty
Turned it all for my good.

CHORUS

Repeat chorus

BRIDGE x5

I will tell the world
Of Your faithfulness
How You rescued me
How You set me free
You have picked up,
From the miry clay
Now I'm standing strong,
On the solid rock (*5th time: So I'll sing*)
